

Notification for the Foundation Stone Laying Ceremony of Semiconductor Units

by

the Honourable PM of India, Shri Narendra Modi Ji

The Hon'ble Prime Minister Sh. Narendra Modi Ji is going to lay the foundation stone for 3 Semiconductor Plants at 10.30 AM tomorrow (13.03.2024). In view of this Regional Centre, Patna is organizing a talk on "Utility of Semiconductor in Scientific Research" at 09.30 am in the Seminar Hall-2 of T.P.S. College, Patna. Dr Ayan Mukherjee, Department of Physics, College of Commerce, Arts and Science, Patna has kindly consented to be the Resource Person on this occasion. The talk will be followed by the viewing of the live-streaming of the Foundation Stone Laying Ceremony of Semiconductor Plants by the Honourable PM of India, Shri Narendra Modi Ji.

More than 200 Academic Counsellors, learners and members of faculty from the Departments of Science & Computer Science from the local colleges will be participating in this event.

You are invited to participate in this special event and take advantage of the deliberations.

Dr Abhilash Nayak
Senior Regional Director
