

## Success Story

**Dr. Mousumi Chaudhari**

**Associate Professor, HOD  
Department of B.Ed., MDDM College  
Muzaffarpur**

I have completed B.Ed., MA (Education), and PGDDE from IGNOU Regional Centre, Patna, presently pursuing MADE. I am proud to be a student of IGNOU.

The overall system of IGNOU is very good. The standard of study material is very good. The student support service helps a lot in rendering any problem. One get assignment timely and are evaluated in pre defined time. The standard of final exam is also very good. Anyone from anywhere can enrolled in any course of IGNOU. So, I preferred studying in IGNOU with my own time and pace.

**Mr. Shantanu Singh**  
**Gold Medalist - PGDEMA**

I had a wonderful experience at IGNOU. I was awarded the gold medal in PGDEMA at 33<sup>rd</sup> convocation. I learnt numerous concepts of educational management which has helped me immensely in my professional life. IGNOU has one of the best syllabus and course structure which has been prepared keeping in mind the needs and aspirations of the learner. The study materials are very well written and they provide in-depth knowledge of the subject. The counseling sessions were very important in clearing my doubts and keeping me informed regarding assignments and project during the course and I would recommend everyone to attend these sessions regularly.
